<b>Treatment of AR-13 for Year Ending</b>	:	
<b>December 31, 2003.</b>	:	

**ORDER**

By the Commission:

On April 6, 2004, Allegiance Telecom of Illinois, Inc. ("Allegiance") filed a verified Petition requesting that its Annual Report (AR-13) for the year ending December 31, 2003, be treated by the Commission as confidential and proprietary information for a period of no less than five years. Allegiance states that the subject Annual Report constitutes "business information that, if disclosed to the public, would put the Company at a competitive disadvantage."

Section 5-109 of the Illinois Public Utilities Act ("Act"), 220 ILCS 5/5-109, states, in relevant part, that "[a]ll reports made to the Commission by any public utility and the contents thereof shall be open to public inspection, unless otherwise ordered by the Commission."

Section 4-404 of the Act, 220 ILCS 5/4-404, states that the "Commission shall provide adequate protection for confidential and proprietary information furnished, delivered or filed by any person, corporation or other entity."

Section 7(g) of the Illinois Freedom of Information Act, 5 ILCS 140/7, in pertinent part, exempts from public disclosure "commercial or financial information obtained from a person or business where such... information [is] proprietary, privileged or confidential, or where disclosure of such...information may cause competitive harm."

83 Ill. Adm. Code Section 200.430 states that "[a]t any time during the pendency of a proceeding, the Commission or the [Administrative Law Judge] may, on the motion of any person, enter an order to protect the confidential, proprietary or trade secret nature of any data, information or studies."

The foregoing statutes and regulation authorize the Commission to exempt commercially sensitive information from public disclosure. Based on the verified statements of Allegiance, we conclude that it is appropriate for the Commission to treat the

subject Annual Report as confidential and proprietary for a period of five years from the date of this Order. No evidentiary hearing is necessary for the resolution of this matter.

The Commission, having considered the entire record and being fully advised in the premises, is of the opinion and finds that:

- (1) Allegiance is a "telecommunications carrier" within the meaning of Section 13-202 of the Act;
- (2) the Commission has jurisdiction over Allegiance and over the subject matter herein;
- (3) the recitals of facts and conclusions reached in the prefatory portion of this Order are supported by the verified petition and are hereby adopted as findings of fact;
- (4) Allegiance's Annual Report (AR-13) for the year ending December 31, 2003, should be treated by the Commission as confidential and proprietary for a period of five years from the date of this Order.

IT IS THEREFORE ORDERED that the Petition of Allegiance Telecom of Illinois, Inc., for confidential and proprietary treatment of its Annual Report (AR-13) is granted and that said report shall be exempt from public disclosure for a period of five (5) years from the date of this Order.

IT IS FURTHER ORDERED that subject to the provisions of Section 10-113 of the Public Utilities Act and 83 Ill. Adm. Code Section 200.880, this Order is final; it is not subject to the Administrative Review Law.

By Order of the Commission this 5<sup>th</sup> day of May, 2004.
